

Frederiks

neighbourhood kitchen & bar

Private hire

We've been expecting you...

Located between the cathedrals on Liverpool's iconic Hope Street, Frederiks has been serving the city's Georgian Quarter since 2013.

The hub of a diverse neighbourhood - whether you're coming to us for business or pleasure, we're everything you could possibly desire.

Whether it's a corporate function, training day, celebratory event, or just a good old knees up, any of our venue spaces can be hired either privately or with an open venue - from our main restaurant space to our self-contained 'Pillbox' and even our cosy sofas in front of a roaring fire.

We understand the importance of looking after our guests and keeping them fed and watered.

Frederiks enjoys a fabulous reputation for food and all of our catering is prepared in-house to guarantee the standards we'd naturally expect ourselves.

We offer a variety of menus from formal three courses to more relaxed finger food & nibbles.

Specific dietary menus can also be tailored to your colleague's and guest's requirements.

Our extensive drinks menu includes cocktails, gin serves and craft beers (amongst others of course,) experience the decadently delightful Prosecco parlour, plus we also offer cocktail masterclasses for groups of six or more with our exceptionally talented mixologist, Brian.

Ideal for group celebrations, ladies' nights out and team building sessions, he'll take you through the fine art of shaking and making your favourite tipples, passing on his wisdom and best of all, you get to drink the results.

Behind closed doors...

Revealed only to the lucky few, Pillbox is the ideal liaison point for clandestine meetings, discreet dinners and covert celebrations.

Hidden away behind a sliding wall for absolute privacy, our secret space comes complete with full AV, plus your own private bar.

Available for hire daily - from 10am until the wee small hours, telephone 0151 708 9574 or email us at events@frederikshopestreet.com for further information.
