

NEW RULES, SAME FRED'S.

We can't wait to welcome you back to Frederiks.

Please note, things will be a little different.

We're always doing our best to deliver the highest standards of service, your safety is our top priority. We will be adhering to social distancing and safety guidelines to ensure the safety of our team and guests.

You can read our guidelines here:

We can only take bookings for single households or support bubbles inside.

Food must be ordered with all alcoholic drinks.

We recommend booking as demand is high.

You will be seated at an allocated table and we will operate a table service system.

Please pay with contactless card wherever possible.

Customers are asked to check in using the NHS app or leave contact details on entering Frederiks.

We ask you use the provided hand sanitiser on arrival and adhere to social distancing whilst on site.

Increased hand washing is vital for both you and our team.

Tables are planned out in-line with guidelines to ensure safe distance.

COVID19 Risk Assessments and full staff training to minimise cross-contamination risks.

Intensive sanitising and hygiene schedule in place for all areas.

Increased hand washing and sanitisation schedule for staff.

PPE provided for staff where required.

We value the safety of all of our team and guests - please do not enter Frederiks if you feel ill, have COVID19 symptoms or symptoms relating to COVID19 or you have been in contact with anyone with COVID19 or symptoms relating to COVID19.

If you have any questions or concerns then please ask to speak to the manager on duty who will happily assist you
